Dedication.

Dedicated: To our parents, who have lovingly guided us through our green years. As on the first day of school they helped us up those many steps, so have they helped us up the steps of our entire school career. In the beginning only fear of this big world of which we had now become an active part reigned over us. Then, as we grew used to this new experience, our problems began to grow also; and we looked to our parents for guidance. Since they were always eager to help us, we placed much of our confidence in them. Their unending devotion and concern for us have given them a place in our hearts which can never be filled by anyone else. Therefore, because they have meant so much to us during the early years of our lives, we are dedicating this, our 1952 PEMICAN, to our parents, hoping that it will help repay them for all the time they have sacrificed and the love they have given us.

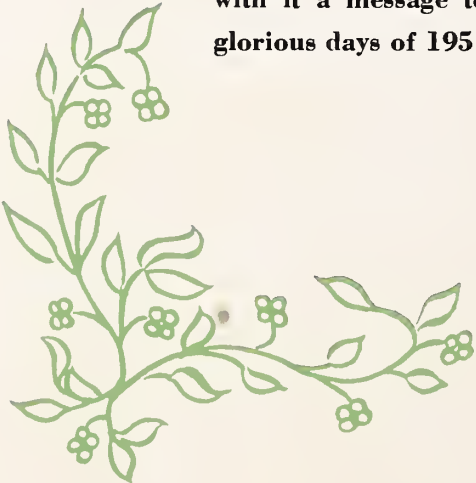

FOREWORD

For this year 1951-52, the PEMICAN staff has chosen as its theme *Our Green Years*. We feel that a tribute should be made to these past years during which we have grown in mind and stature. This successful progress we owe to our parents, teachers, and friends.

The purpose of this book is to retain in a tangible form memories of experiences and friendships acquired throughout these years. We, as a senior class, sincerely hope that all who follow us will find their years at High Point Hi as happy and as successful as ours have been.

Each section of our PEMICAN has been designed to carry with it a message to help us recall in years to come the glorious days of 1951 and 1952.

Working to secure the very best educational program for our school is Mr. Charles F. Carroll, our superintendent of the city schools. His personal interest in school affairs has given him a prominent place with the students of H.P.H.S., and his friendly personality is always welcome there.

Guides Through Our Green Years

Deeply admired and respected by everyone is our own principal, Mr. D. P. Whitley, the man on whose shoulders the welfare of the students and the management of the school rests. His constant devotion and concern, his thoughtful supervision and direction, and his unending service to all have helped to make our final green years the very best.

Working together to fill the responsible position of dean of boys are Mr. Bert Ishee and Mr. Ralph Vance. Both have been essential and capable advisers for the many boys who needed assistance in making important decisions.

Miss Anna Mendenhall, our dean of girls, is always ready to offer her friendly advice and expert guidance to the many students who confide in her. Giving constantly her time and service, she has efficiently handled the daily problems which confront her.

Helping to make the general office one of the friendliest spots of H.P.H.S. is our school secretary, Mrs. Johnsie Jackson. She works constantly, managing the reports and affairs of the office. She is never too busy to give everyone her special smile. Her winning personality has made her a favorite with all of the students. We owe much to Johnsie, who has helped to make our green years happier through her service in the general office.

Lending their smiles and assistance to the general office are the busy girls of Mrs. "J" 's staff. Continually answering the telephone, helping with the filing, and delivering messages to students, they are very essential personalities in the office.

Mrs. "J" 's slaves are (left to right, first row) Mary Layne Ballard, Rose Marie Wienberry. (Second row) Tiny Neely, Evelyn Chapman, Landry Neely, Glenda Head, Peggy Withers. (Third row) Diane Fidler, Patty Peacock, Mollie Little, Anne Salley, Frances Motsinger.

Assisting Mrs. Jackson in the general office is Mrs. Doris Teague, our school registrar. She, too, is always ready to give everyone a friendly smile. Substituting for teachers, registering new students, and helping seniors with their college applications — these duties have made her well-known to H.P.H.S.

They Aid by Giving Opportunities for Experience

Looking up schedules, taking phone calls, and just doing any task they can to help you—these are some of the most familiar duties known to the general office staff. Caught performing one of these duties, Anne and Patty kindly permit our photographer to interfere.

Cheerfully and willingly two general office girls, Anne Salley and Patty Peacock, do a daily chore of getting schedule information.

Nancy Bright, president of the student body, has been our capable leader during the last of our green years. She has worked hard to give us the best kind of leadership. Her willingness and helpfulness have created in us a better sense of good citizenship.

CLASSES

Steering the Senior Class this year are (left to right) Mike Jones, treasurer; Anne Salley, secretary; Bobby Shook, president; Dwight Payne, vice-president.

Our Last... The Best of Our Green Years

The last of their green years was the best to the High Point High School senior class of 1952. The entire year was filled with wonderful and exciting experiences, with after-graduation plans in the background. The first step in organizing the class was the election of class officers, which turned out to be a very close contest, resulting in the election of Bobby Shook as president; Dwight Payne, vice-president; Anne Salley, secretary; and Mike Jones, treasurer. Completing the list was Mr. Bert

Ishee, class adviser, who has helped them throughout the year.

Early in the year came the election of senior superlatives and mascots, followed by recognition of eighteen outstanding seniors whose individual sketches would be entered in the *High School Register*.

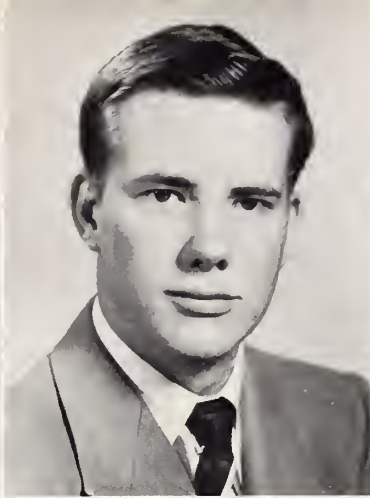

The excitement of Senior Day, the junior-senior prom, the arrival of *Pemicans*, and final exams brought the seniors through the last of their green years to that final step—graduation.

Caught in the middle of one of their capers are senior mascots, Becky Wall and Craig Fulton.

The senior executive board, under the guidance of Mr. Bert Ishee, class adviser, was kept busy during the year organizing the business of the dignified senior class. This group, represented by members from the senior homerooms and leaders of the class, planned assemblies and elections for the class.

Who's Who

Nine girls and nine boys who have done unrecognized but vital work in their high school years have again been chosen to represent H.P.H.S. in *Who's Who* in American High Schools.

The election of these first string players of our school life drama is based on votes cast by the members of the faculty. The five per cent receiving the highest number of votes find their green years of never ceasing deeds climaxed by this token of gratitude.

Leading the Junior Class this year are officers, Joe Walser, Treasurer; Donald Scalf, Vice-President; Donnie Boone, Secretary; Herman Bunch, President.

Just One More Lap In Our Green Years

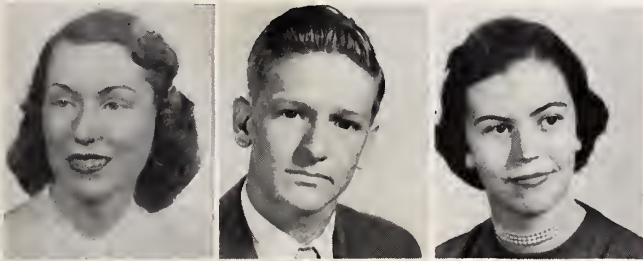

The juniors started off this year with the vim and vitality that juniors always seem to have. First, they elected the following slate of officers for their class: Herman Bunch, President; Donald Scalf, Vice-President; Donnie Boone, Secretary; and Joe Walser, Treasurer.

The next event which summoned the efforts of these proud upperclassmen was their play, *Here*

Comes Charlie, under the direction of Miss Anna Meisel.

With the junior-senior prom to highlight the year, these ambitious juniors began to prepare to step into the role which they would play next year as the most important class of all.

Directing the ambitious juniors as they prepared for elections, the play, and the prom, Miss Elizabeth Lindsay has shown qualities of understanding, ability, and patience.

The Big Three of the Sophomore Class is composed of Jerry Sowers, Vice-President; Jane Marlette, President; Jimmy Sink, Secretary-Treasurer.

Halfway Through Our Green Years

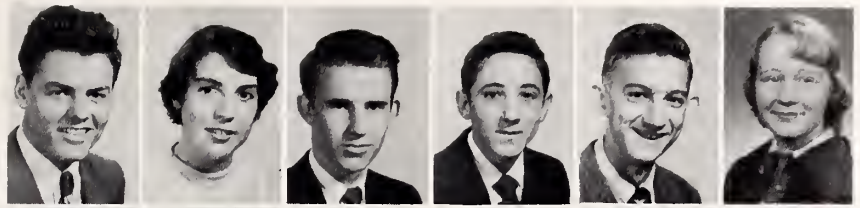

As the sophomores began the year, some were in a strange and new environment; while others, who had spent their freshman year in H.P.H.S., felt quite at home. Nevertheless, all were very glad to be together once more; and they started the year off with a great deal of enthusiasm in their election of officers. Winning out in spite of unusually stiff competition were the following: Jane Marlette, president; Jerry Sowers, vice-president; Jimmy Sink, secretary-treasurer; with Mrs. R. H. Shaw to advise them.

The most important event of the year was the freshman - sophomore prom. The sophomores showed their true spirit as they wholeheartedly turned their attention to the planning and the task of decorating for this big occasion.

As the year came to a close, these sophomores felt that they had grown in character; and that their year had been one in which they could cherish the memories of many new and different experiences.

With the support of their classmates Freshman officers, J. G. Ritch, Treasurer; Janice Jones, Vice-President; Betty Adams, Secretary; Christine Andrews, President, led the Freshman class through the first year of high school.

The Greenest Of Our Green Years

The fact that the freshmen were "green" didn't stop them from joining hands with the other classes and participating in the activities of H.P.H.S. After asking a few questions, they soon began to move about the school with the ease that is acquired through experience only.

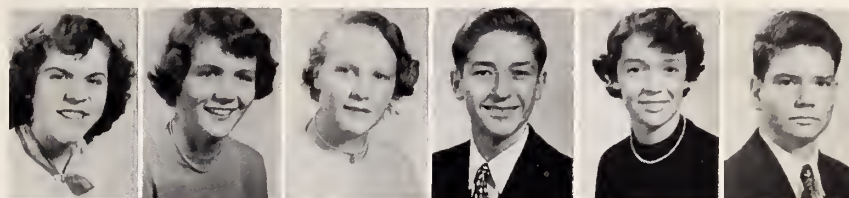

One of the first things on their agenda was the election of class officers. When the speeches, campaigning, and voting were concluded, they found themselves under the leadership of the following: Christine Andrews, president; Janice Jones, vice-president; Betty Adams, secretary; and J. G. Ritch, treasurer.

With the freshman-sophomore prom came the excitement that only high school can produce. These alert underclassmen immediately began to help carry out the planning and work that make a prom everything it should be.

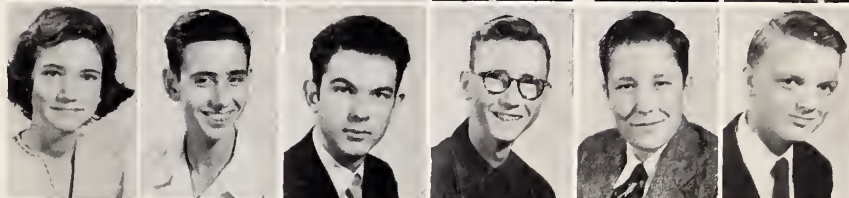

As the year came to a close, the members of the freshman class had made many new friends; and the whole class had become an active part of the high school. Yes, the freshmen had proved to be able and willing leaders — proud members of H.P.H.S.

Guiding, helping, planning, and assisting the newest members of H.P.H.S. has been one of the "extra-curricular" activities of Mrs. Helen Gentry. She has helped the Freshman class start out on the right foot.

ACTIVITIES

To Editor-in-Chief, Barbara McCanless, and Adviser, Ralph H. Vance, went the task of producing a yearbook that was delightfully different.

"Shutterbug," Pete Jones, strikes a typical pose with his ol' trusty camera.

Something Different In The Making

Max Loflin helps Sports Editor, Ralph Hall, with his identifications.

Senior Statistics Editor, Anne Salley, plans the layout of the senior directory with the help of Ann Johnson.

Please, dear reader, handle this treasured book with all the tenderness and respect you can; for we have attempted to record the dreams and actual happenings of this, the last of our green years.

Weeks and months of work, late hours, and fun went into the composing of the 1952 PEMICAN.

Each member of the staff had a special job to perform, but a great deal of the work fell on the shoulders of our Editor-in-Chief Barbara McCanless and Associate Editor Landry Neely. We also owe Mr. Ralph Vance the credit for advising us in preparing the PEMICAN for press.

Beating the deadline is not a rare occurrence for Printing Editor, Arlene Taylor and Copy Editor, Jane Sowers.

"Hey, this one's a scream," shouts Associate Editor, Landry Neely, to Mollie Little, Typist, and Mike Jones, Art Editor, as they assort pictures for layouts.

Playing a big part in the success of the PEMICAN are business staff members, Nancy Jo Doggett, Ettalee Monroe, Betsey Davis, Business Manager, Herman Bunch, and Jimmy Blair.

The usually thankless job of selling ads for any publication has been performed for the PEMICAN by the eager members of the Business Staff who, under the supervision of Betsey Davis, Business Manager, have worked unselfishly and tirelessly to sell their quota of ads.

Super salesmen off to sell ads are business staff members (left to right) Claude Earle, Tommy Woollen, Frances Gilmore, Peggy Tobias, Pepper Tice.

The jobs of taking pictures, writing copy, editing Senior statistics, identifying pictures and drawing layouts were carried out with eagerness and painstaking care by the staff members. It is to these loyal workers that we owe the production of "Our Green Years."

Editor-in-Chief George Coltrane has planned the layout of each issue of the **POINTER** with the help of Miss Eleanor Young, Adviser. These people deserve an "E" for effort, to them go our thanks for doing a fine job.

"Budding Journalists"

The job of gathering the current news of H.P.H.S. has gone to the busy members of the Editorial staff of the **POINTER**, while the cub reporters have done the rounds of the school as they looked for some new news or funny story that took place on their "beats." Associate Editor Evelyn Chapman has done a very commendable job in making these assignments and in writing many stirring editorials.

Proofreading the first edition is the privilege of staff members (left to right, seated) Jo Anne Hodgin, Headliner; Evelyn Chapman, Associate Editor. (Standing) Vici Waggoner, News Writer; Tykey Savvas, Sports Writer; Nick Fisher, Feature Editor; Nancy Hill, Feature Writer; Lorretta Freeman, News Writer.

Diligent staff members working after hours are (left to right, seated) Mary Jane Shipwash, Typist; Elaine Ellison, Typist. (Standing) Billie Ruth Pilcher, News Writer; Anne Thompson, News Writer; Gene Campbell, News Writer; Harriet Shelton, Feature Writer; Tom Strother, Feature Writer.

The business of the **POINTER** is taken care of by Mrs. Sowers, Business Adviser, and Sandra Mitchell, Business Manager.

News-wise cub reporters are Wanna McAnally, Judy Moore, Faye Payne, Anne Hulin, Vasso Cavas.

Telephoning, calling in person, giving high pressure sales talks, and collecting bills—these have been just some of the duties of the business staff members of the **POINTER**. Directing these hard working people has been the privilege of Sandra Mitchell, Business Manager, and Mrs. Lyda P. Sowers, Faculty Adviser. Because of their efforts the bills for printing the **POINTER** have been paid on time.

Distributing the **POINTER** is the job of Business Staff members (left to right, standing) Eleanor Cook, Circulation Editor; Sylvia Schultheiss, Jackie Corn, Mary Jean Tinsley, Nancy Criddlebaugh. (Seated) Billie Sue Sherman.

Plotting strategy in their sales campaigns are Business Staff members (left to right) Pat Bradshaw, Frankie Herman, Janice Neal, Larry Sloop, Barbara Dillon, Sandra Spencer.

Those "worthy of special recognition because of outstanding attainment and promise" are the ones chosen for the National Beta Club. Our Beta Club, based on locally determined scholarship, is the second largest in North Carolina.

Miss Geneva Highfill was adviser to the club this year, with Frank McCain serving as president; Arlene Taylor, as vice-president; Anne Salley, as secretary; and Pat Pendergrass, as treasurer.

The most important service that the Beta Club offers the students is College Day. Each year the members of the Beta Club and the National Honor Society help with the planning and direction of this helpful program. This year the representatives of many colleges helped the students by answering many of their numerous questions.

The National Beta Club Convention, held in Raleigh in March of this year, was an unforgettable experience for the members who attended. The entire week-end was scheduled to keep the "clubbers" busy. Skits, campaigns, elections — these and many other activities were enjoyed by all, with a banquet and formal dance as the climax. When these representatives returned, they set to work at once to better their own organization.

President Frank McCain thanks Rev. Don Payne for speaking at the Beta Club induction program.

The highlight of the 1951 spring induction was the presentation of the National Honor Society Service Award to Max Williams. As president of the student body, he was chosen because he had rendered the most outstanding service to his school and classmates.

With trophy in hand, Max Williams tells his mother about receiving the National Honor Society Service Award. (Left to right) Mr. A. E. Williams, Mrs. A. E. Williams, Max Williams, Doris Craven, 1950 recipient.

Representing the high standards of service, scholarship, character, and leadership are the worthy members of the National Honor Society.

Miss Maxalynn Mourane, faculty adviser, was a valuable new member to the 1952 chapter of the Honor Society. The officers selected for the club were president, Dwight Payne; vice-president, Landry Neely; secretary, Ann Johnson; and treasurer, Frances Motsinger.

At the beautiful candlelight service in October, sixteen seniors were inducted into this club. These honored students helped the old members in carrying out their various projects.

Working jointly with the Beta Club, the Honor Society helped to sponsor College Day, a very important program for all students. The annual sale of stationery and personalized cards was another project of the club.

The spring induction brought five per cent of the junior class into the membership of the National Honor Society. These new junior members were the ones who would uphold the high ideals set before them during the course of the coming year.

Service to the school, community, and nation —this is the purpose of the Key Club International. Sponsored by the Kiwanis Club, the High Point chapter is the hardest working group of its kind in H.P.H.S.

Perhaps the most difficult job that the members have to do is that of compiling and editing the *Key Club Directory*. This handbook contains all needed information about the organizations, faculty members, and especially the names, addresses, and grade numbers of all the students of H.P.H.S.

Striving For Better Service

Prominent in school activities are the members of the Key Club (Left to right, first row) Donnie Boone, Tommy Woollen, Stuart Fountain, Chippy Wood, Harold Bull, Pete Jones. Flowers for the proms and the lovely Christmas trees that graced many living rooms and added much to the spirit of the season were sold and delivered to the door by smiling Key Clubbers.

Money that is raised by the club during the year is presented to the school in the form of some worth-while project. This year the club is contemplating the addition of a new trophy case to display to the best advantage all the lovely and hard won trophies of the athletic department.

New inductees in the Key Club are (Clockwise) Charles Flinner, Dwight Payne, Bob Hall, Buddy Bullock, Maurice Sives, Gordon Smith, Donnie Rickert, Jimmy Blair, and Dickie Gantt.

These are the speakers, the dramatists, the comedians of our school. For their outstanding oral work in class, on the radio, and in assemblies, they have been chosen from the Junior and Senior classes to become members of the Masque and Gavel Society.

During the winter, the members staged two one-act plays for the enjoyment of the school. These two comedies were well received by the students and the proceeds swelled the society's treasury.

The club owes a good deal of its success to the patient coaching of its adviser, Miss Ruth Goodman, and to the leadership of its president, Pepper Tice.

It is truly an honor and a privilege to be one of the "selected few" who are asked to become active participants in this society that advocates "better speech through practice."

Speeches, discussions, projects—these were the activities of the Y-Teen groups when they met each Thursday afternoon for their club business sessions. However, business did not take up all of their time. Much of the club meeting was spent in planning for coming dances, parties, and gatherings in their teen center. After the football games, some of the most enjoyable times during the year were spent at this teen center.

Eight delegates from High Point attended the annual North Carolina Y-Teen Conference which was held in Winston-Salem on February 15-17. These delegates, accompanied by Miss Nina Claiborne, Y-Teen director, enjoyed a varied program which presented many new ideas for them to share with their own clubs.

"Marching onto the field for the half-time activities is the High Point High School band"—these were the words heard over the public address system as our smartly dressed band marched onto the field playing the high school song.

The precision marching and spirited music were the results of long hours of marching under the hot sun while practicing new formations and appropriate victory songs for our successful football team. The band was truly a good representative of H.P.H.S. as it travelled to various cities with the team.

Under the skilled baton of Director A. L. Luttrell the band also played at many schools in the city and at High Point College during the winter and spring seasons.

All this work and practice was crowned by the annual spring band contest and concert.

Skilled Marchers

As the result of long hours of work and practice Mr. A. L. Luttrell succeeded in producing a top-notch band.

Band members are (Left to right, first row) Connie Grant, Mary Rose Morris, Carol Ann Kearns, Betty Kerr, Gloria Wood, Helen Ridge. High-stepping majorettes, Connie Grant, Gloria Wood, Betty Kerr, Carol Ann Kearns, Mary Rose Morris, and Helen Ridge, surround drum major Buddy Bullock.

Practicing with the band at all times, the pretty majorettes worked hard to perfect their strutting for the football games. Doing a wonderful job of helping these "high-steppers" was the talented drum major, Buddy Bullock. During those cold nights of winter, they had to gather up a great deal of courage in order to face the biting winds; but they were always ready to march out in front of the H.P.H.S. band.

String day is an important practice session for string instrument players to work out difficult passages in concert and contest music.

All year long these musicians have tuned their instruments on "A" as they prepared to learn the difficult compositions of some of the world's renowned composers.

Twenty-one members of our orchestra had the honor of being representatives of High Point in the All-State Orchestra, which is a group of North Carolina's most talented high school musicians.

Under the leadership of Conductor Virginia Frank and with the help of officers Pepper Tice, President; Buddy Bullock, Vice-President; Barbara Terry, Secretary; and Jerry Anderson, Treasurer; the orchestra has had one of its most successful years.

After the nerve-rendering tryouts were over, the talented songsters who were selected to be members of the A Cappella choir started the hard task of preparing their repertoire of religious music to be used for assemblies and church services during the year. The lovely strains of "Beautiful Saviour" have opened many programs of inspiring music.

This year our choir played host to the musical groups from all over the state when the "Musical Festival" was held in High Point in the early spring.

The presentation of Bizet's *Carmen*, starring our own Sophia Steffan, was sponsored by the Music Department of our school, and was a good recommendation to the superiority and the quality of music that is produced in this department.

Under the genial and expert direction of Dr. Charles C. Taylor, the choir had once again proved itself worthy of recognition and esteem.

A Cappella officers are D. C. Phillips, Treasurer; Buddy Bullock, Vice-President; Frances Motsinger, Secretary; Donald Scalf, President.

Achieving the rich and full tones typical of a boys' chorus is no easy task as any of these boys could tell you. With the aid and assistance of Director Charles C. Taylor, the musically minded boys of our school have gone far towards improving their style and tone. Often during the year they have been willing to offer musical selections for the student body.

"Make a joyful noise unto the Lord" might well be the motto of the pretty songstresses who exercise their vocal chords during the first period. Under the expert guidance of Miss Nancy Anne Staley, this group of girls has enjoyed the hard work of learning to sing new songs; but most of all they have enjoyed the companionship and friendly atmosphere that are always present when a group is working together for the enjoyment of themselves and those who hear them.

These golden-throated lassies are the talented members of the second period choir which has offered its renditions of religious and popular songs at many of our assemblies. Soloists who did an excellent job in the *Messiah* are Alfred Krekeler, Mrs. Mary Lou Moran, Miss Nancy Anne Staley, Thomas Wood, and Dr. Charles Taylor, director.

During the months of October and November, many musically minded students spent their Monday nights practicing the difficult and beautiful choruses of Handel's *Messiah*. The weeks of work were climaxed by the annual presentation of this composition of the story of Jesus.

The nineteen-fifty-one presentation was dedicated to the memory of Kenneth Steele, an A Cappella choir member who had been killed in an automobile accident in November.

The two-hundred voice chorus formed the traditional white cross on a blue background as it took its place on the stage for the school performance on November 30. The public was invited to attend on December 1 and 2.

The four solists, who sang the moving airs of the *Messiah*, proved themselves to be worthy of this honor. Our own Miss Nancy Anne Staley sang the soprano airs; Mrs. Mary Lou Moran offered the rich tones of a contralto; Thomas Wood sang the tenor solos; and Alfred Krekeler, the bass recitals.

Under the expert direction of Dr. Charles C. Taylor, the choir and soloists gave another inspired performance of the greatest story ever told.

Future Homemakers Plan Better Homes for America

To have better homes in the future is the goal stressed by F. H. A. adviser, Miss Mary Ella Ingram and officers, Ann Lambeth, treasurer; Barbara Dillon, vice-president; Connie Grant, secretary. (Second row) Patsy Handy, parliamentarian; Barbara Morrison, reporter; Jean Burnworth, song leader; Ettalee Monroe, president; Sandra Spencer, historian.

What wonderful homes we should have in the future America! The house-keepers-to-be of H.P.H.S. have become experienced in planning varied meals and balanced diets through membership in the Future Homemakers of America.

Helping to promote interest in home economics, the following officers guided their club through the year: Ettalee Monroe, president; Barbara Dillon, vice-president; Connie Grant, secretary; Ann Lambeth, treasurer. The F. H. A. often turned to their adviser, Miss Mary Ella Ingram, for needed assistance.

Through many projects, parties, and meetings, these F. H. A. girls made their organization one of the most active in H.P.H.S.

A growing interest in the teaching profession has gained many new members for the Future Teachers of America. Looking forward to a promising year, these future teachers elected the following officers for their club: Jean Burnworth, President; George Coltrane, Vice-President; Mary Stuart, Secretary-Treasurer. Readily lending her assistance to the group was Miss Mary McInnis.

Participating in various activities throughout the year, these energetic educators-to-be learned the importance of fellowship and work in the success of their future careers. Although the F. T. A. is one of the newest organizations in school, it has become one of the largest by continually gaining new members each year.

F. T. A. officers are (First row) Pat Vance, Program Chairman; Mary Stuart, Secretary-Treasurer. (Second row) Sarah Stuart, Social Chairman; George Coltrane, Vice-President; Jean Burnworth, President.

Library Club officers are Carolyn Armentrout, president; Ann Teague, treasurer; Betty Jo Bivens, reporter; Hellene Paschal, vice-president; Mary Cecil, secretary.

Those early morning invaders of the library on the second and fourth Mondays of each month were the industrious members of the Library Club. Their meetings were directed by Carolyn Armentrout, President; with Hellene Paschal, Vice-President; Mary Cecil, Secretary; Ann Teague, Treasurer; and Betty Jo Bivens, Reporter, to help her. Serving as their capable adviser was Mrs. Nancy Poston, school librarian.

The purposes of this organization are to increase pupil interest and participation in school library work, to promote better understanding and co-operation in the student use of the library, to attract high-type pupil library assistants, and to arouse interest in the study of librarianship as a profession. Many club members have gained experience for librarianship by assisting students with their choice of books and research work.

Literary World Opens Its Doors To Library Club

The literary-minded students of the Library Club are (Left to right, first row) Betty Jo Bivens, Christine Nobles, Hilda Pickrel, Hellene Paschal, Phyllis Witcher, Carolyn Armentrout. (Third row) June Armfield, Pattie Summey, Mary Crater, Vasso Cavas, Ann Teague, Judy Seward, Pat Bradshaw, Betsy Hedgecock, Gail Beck.

One of the most important courses in H.P.H.S. is that of driver-training education. Under the direction of Lieutenant Frank Shields, a large number of students have received the best training possible. The local program has been sponsored by the Rotary Club, the police department of the city of High Point, and the P. T. A.

During a six-weeks course of instruction, the five members of the training classes were taught many vital "extras" of driving. After taking a series of tests, the students studied rules of safety, the parts of a car, and the steps in starting a car.

Having learned to park well, to judge distances, and to be courteous drivers, these students received their licenses from the North Carolina State Highway Patrol officers.

The big day arrives and the qualified students are issued licenses by License Examiner R. F. Carter while Lieutenant Shields watches approvingly.

Well-deserving Athletes Earn Letters

"Peanuts! Ice-cold drinks! Candy!" were the cries heard at the basketball games as the boys of the Monogram Club energetically worked to earn money for their treasury. These boys have qualified for membership by earning a letter in one of the seven varsity sports, or by being a manager of one of the teams.

Holding regular meetings twice a month, the members of the Monogram Club helped to develop higher athletic standards at High Point High School. Early in the fall they elected the following officers, pictured on the left: Sonny Sorrell, President; Ronnie Falls, Vice-President; Jimmy Jarrett, Secretary-Treasurer. In their meetings the Monogram Club boys enjoyed the fellowship of others, who, also, wanted to be good sports.

The adventures and exploits of Julius Caesar make interesting reading for these followers of Roman classics. The purpose of the Junior Classical League is to "hand on the torch of classical civilization in the modern world."

Mrs. Vera Walden, adviser of the League, has instructed these students as they planned programs on Roman life and culture and made objects common in Caesar's day.

The pride of the Latin Department is the newly won trophy which was earned by Gayle Walden, Peggy Tobias, and Carolyn Snow for their high grades in the national Latin examination.

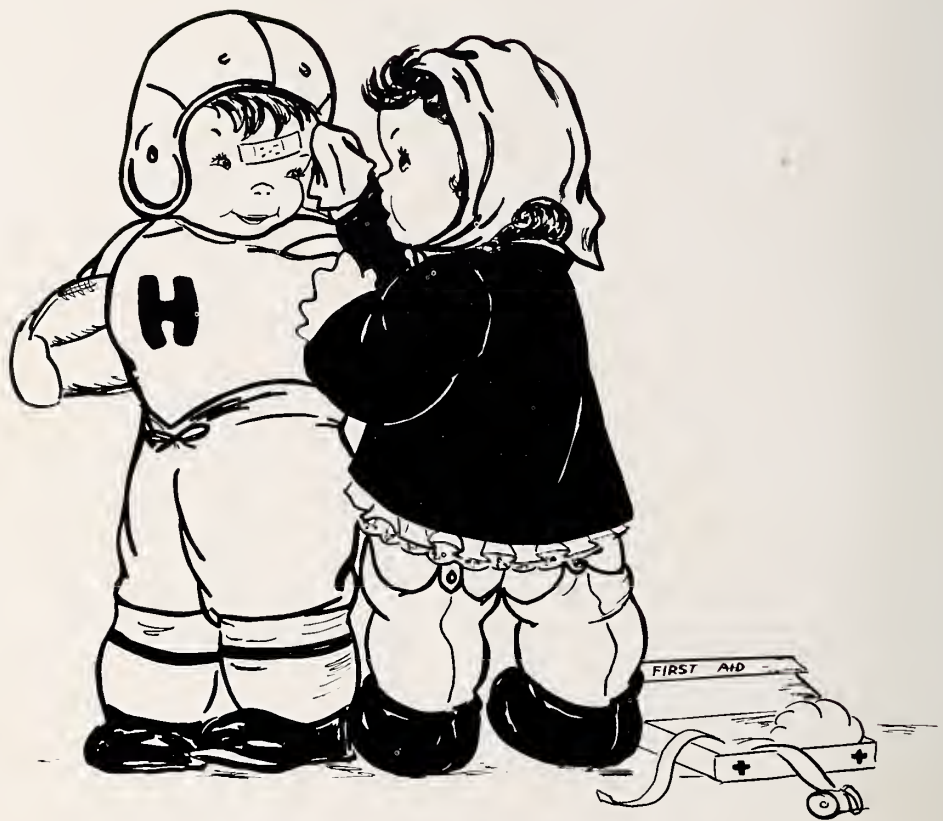

At the top of the list in the Junior Classical League are officers, Nancy Cridlebaugh, Sub-imperator (Vice-President); Lucy Gibson, Scribor (Secretary); Jimmy Casey, Imperator (President); Phyllis Whitlow, Pecuniator (Treasurer).

ATHLETICS

Checking over information for that "big one" are Coach A. J. Simeon and his assistant, Leon Ellis.

Two of the factors that determined the success of High Point football were Coaches Simeon and Ellis. The burden of rebuilding the team was a task in itself in that many men were lost via graduation, and that Coach Ellis was a newcomer to the high school. Starting back in the summer, drills were held twice a day to condition the players thoroughly. Striving side by side, aiding the team in every possible way, these men spearheaded the Black Bison drive that netted them second best in the state.

In the curtain-raiser of the '51 campaign, the Black Bison rocked back and forth with an under-rated aggregation of Reidsville and had to settle for a 6-6 tie. O'Kelley's scoring tally from eleven yards out knotted the count and each team then fought on even terms throughout the rest of the ball game.

Opening Western Conference play with Gastonia, the Bison stopped the Green Wave 14-7, with Jarrett and Martin counting each for 6 points.

The Bison travelled to Durham for a non-conference fray with the Bulldogs and promptly chained them 13-7 on the strength of a well-balanced passing attack.

The Black Bison rolled to their third straight victory by solidly trouncing Burlington, 26-0. Jarrett, with two scores, and Harris and O'Kelley, with one each, led the local's efforts.

With O'Kelley, Harris, Jarrett, and Sorrell breaking into the scoring column, the Bison grounded out a 33-6 triumph over Edwards Military Institute.

The locals' next win came at the expense of the Salisbury Yellow Jackets, 19-13. Jarrett and O'Kelley ran for touchdowns while Sorrell gathered in a Jarrett pass.

Charlotte's fighting Wildcats stunned the Bison momentarily, pinning a 18-13 setback on their hands. Sonny Sorrell's 73 yard kickoff return and Harold O'Kelley's 89 yard dash accounted for our tallies.

Recovered from their upset by Charlotte, the Bison blasted the Asheville Maroons, 28-7. O'Kelley crossed

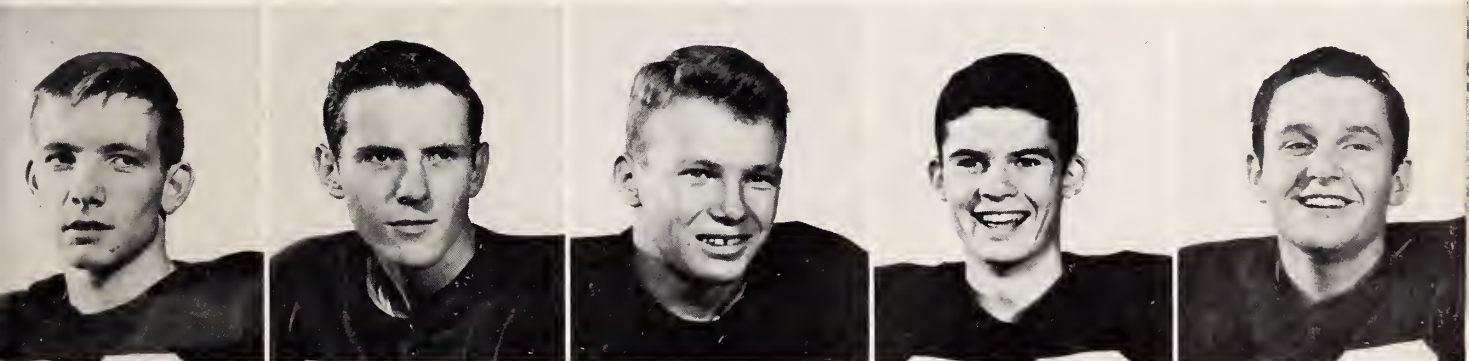

twice, Frye once, and Frye made a pass play to Sorrell which rounded out the scoring.

Guilford County honors were bestowed on the Bison when they white-washed the Whirlies, 13-0. O'Kelley slipped over for the first marker, and Frye tossed to Sorrell for the second as the Bison held a halfgame lead in the Western Conference.

The Black Bison captured Western Conference laurels by striking early and holding on to stave off the Reynold's Black Demons, 14-6. Jim Jarrett "bulled" over for the first score, and "Monk" Falls intercepted a pass and streaked 55 yards to paydirt for the back-breaker.

The Black Bison almost caused heart failure to friends and foes alike before being nosed out by the Wilmington Wildcats, 14-13, for the State Crown. O'Kelley counted on a pass from Frye, and Wood picked up a dislodged ball and galloped 30 odd yards. The extra point was missed and the locals settled for second best in the state.

At the close of the season, All-Conference awards were won by Harold O'Kelley and Jim Jarrett, backs; Sonny Sorrell, end; "Monk" Falls, center; and Tom Wood, tackle. Sonny Sorrell and Jim Jarrett were selected as "All-Staters." Sorrell and Wood participated in the Shrine Bowl at Charlotte, and Falls and Jarrett were H.P.H.S.'s Most Valuable Lineman and Back, respectively.

Probably the most sought after award that an athlete competes for is the Douglas Reid-Herbert Hodgkin Memorial Trophy. This trophy is presented annually to an athlete of the senior class who displays the best sportsmanship in the field of athletics.

This award, in memory of the two ex-Bison athletes who were killed during World War II, was received first by Perry Jones in 1949; the following year Charlie Bryant was presented with it; and last year Ronnie Current was selected by a committee.

Bill Currie, former *Enterprise* Sports Editor, presented the trophy to Ronnie, who participated in Varsity football.

Pictured at right is Ronnie Current proudly holding the Memorial Trophy awarded to him in '51.

Every year a high school grid team loses several men via graduation and that is too true for High Point this past season.

Usually a good Junior Varsity team means a good Varsity team in a year or two as a player works to iron out his difficulties and to improve his fundamental football as to step into the shoes of a varsity performer the following year. Yes, quite a few accomplishments of varsity gridgers can be traced back to the developing stage of their Junior Varsity days.

Junior Varsity footballers who hope to make one more step are (First row, left to right) Ray Montgomery, Zeb Thrower, Jerry Robbins, Jordan Washburn, Doug McCall, Will Byrd. (Second row) Albert Buck, Tommy Grimm, Cecil Coe, Larry Pendry, Aubrey Boles, Bobby Bayne, Gilbert Buck, Howard Haworth, Eddie Smothers, Larry Grissett. (Third row) Vernon Martin, Jimmy Flynn, Sonny Butler, Joe Dean, Robert Johnson, Billy Helms, Clinton Davis, Jimmy Bean, John Gerring, Grayson Dawkins, Harold Gill.

As customary before every home game, the playing of the "Star Spangled Banner" focuses everyone's eyes to "Old Glory."

The initial clash for the Bison found them on the short end of a 58-48 score resulting from a Gray High squad of Winston-Salem. O'Kelley dropped 20 points to pace the locals.

With O'Kelley's 35 point performance, the Bison chained the Thomasville Bulldogs, 59-50. Next contest for the cagers saw them roll over the Wilson Cyclones, 62-39, as O'Kelley turned in 24 markers.

A determined Thomasville squad upset the locals, 47-36, as the pointers suffered on "off night." O'Kelley hit for 14 points to lead the offense. The Black Bison were nipped, 55-44, after a last quarter rally by the Davidson Junior Varsity Wildcats. O'Kelley potted 28 points to lead both teams.

Traveling to Charlotte, the Bison were downed by the Wildcats, 59-41. O'Kelley sunk 15 points to grab honors for the locals. The Bison scared the Wake Forest Baby Deacons before being nosed out, 49-46; and O'Kelley was again high-man for the locals with 14 points.

Cagers Shot For Conference Place

One of the most important members concerning the basketball squad, although he doesn't participate in the ball games or even practice, is Bobby Inman, team manager. But Bobby wouldn't have very much time anyway because of certain jobs he has to attend to, before, during, and after the games. His duties, a few of which are being towel boy and taking charge of the balls, keep him well occupied; in addition, he tries to catch a few glimpses of the game.

Shown above is Bobby Inman, manager of the Bisons, who is drawing a fresh batch of towels to be used for the night's game.

The Green Wave of Gastonia was promptly smothered by the Pointers, 51-33, as O'Kelley threaded the rims with 16 points. The locals faltered in the last quarter to take a 52-43 defeat from the Carolina Jayvees despite O'Kelley's 15 points.

The Greensboro Whirlies slipped by the Bisons, 46-40; but the locals came back with a 57-48 triumph over Gastonia's Green Wave with O'Kelley dumping in a 27 point total. The locals then pounded the Reynold's Black Demons, 57-48, and proceeded to smash the Burlington Bulldogs, 63-48, as O'Kelley poured in 26 markers.

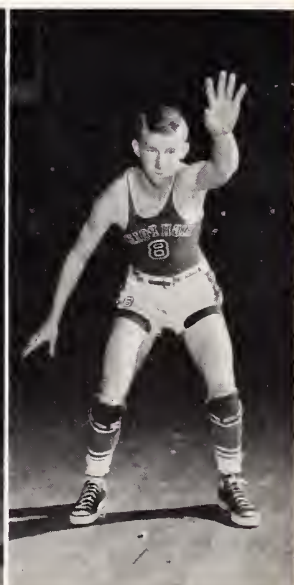

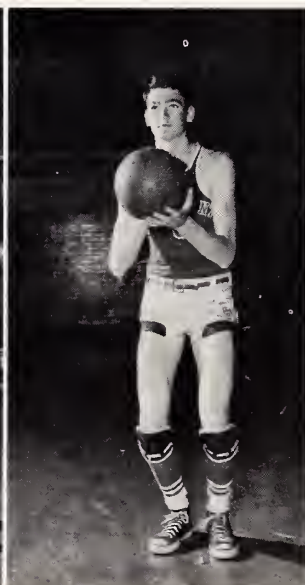

Salisbury fell before the Bison, 58-45, with O'Kelley's 19 points leading the locals. The Pointers tumbled a Burlington squad, 52-47, as O'Kelley spurred for 28 points. The locals were dropped, 65-61, by the Asheville Maroons although O'Kelley totaled 25 points. The Black Bison toppled Reynolds, 52-39.

The battle of Guilford County saw the locals humble Greensboro, 52-50, as O'Kelley racked up 23 points.

Although Charlotte posted a 52-36 victory, the locals rebounded by punching Asheville, 63-52. Overcoming O'Kelley's 20 points, Salisbury claimed a 60-52 victory, closing out regular season play.

The Black Bison Baseballers had a "rough row to hoe" and although they captured only two wins in twelve starts, it will be certain that the team will grab its share of victories. Only two of last year's squad will be missing; and with a new coach, Leon Ellis, who is succeeding Harold Bowen, the Bison will field one of their most experienced teams this year.

Spartans Vie For Honors

Although they failed to cope the Western Conference Crown, the "cindermen" enjoyed a very prosperous season, which included the winning of their own meet, the High Point Invitational. The locals also captured the Winston-Salem Meet. The Bison nailed down second and third place honors consistently throughout the season. Several individuals grabbed honors including State Champion Boyd Newnam in the mile.

Black Bi-son "Spartans" are (First row, left to right) Pete Jones, Johnny Miller, Don Rickert, Darrell Meredith, Donald Watson, Bobby Inman, Clayton Wampler. (Second row) Carl Weekly, Buzzy Bowman, Harold Martin, Donald Scaff, Stuart Fountain, Bob Cecil, Max Williams. (Third row) Bill Linthicum, manager, Joe Lee, Boyd Newnam, Ray Montgomery, Bobby Potts, Cecil Davidson, Doug Stutts, Jim Armstrong, Rufus Laws, manager.

Members of the 1951 golf team which saw a successful year are (Sitting) Johnny Bell and Harry Mauney. (Standing) Terry Atkins, John Gerring, Jimmy Lovelace.

Although under the supervision of Al Gerring, Blair Park pro, the Black Bison Golf Team was without the services of a coach. This failed to stop the locals from their winning ways; and they enjoyed a most successful year, bringing home the "bacon" seven times out of ten tries. The team faces a rebuilding task as the majority graduated last year. With only one or two veterans to rely upon, the squad faces a rugged year.

Wrestlers are (First row, left to right) Chippy Wood, Bill Kale, "Poncho" Sives, Clay Lambeth, Joe O'Neal, Wayne Beck, Tom Strother, Jimmy Sink. (Second row) Dickie Gantt, Albert Gray, Mickey Colbert, Eddie Stewart, Philip Hilliard, Harold McKee, Don Smith, "Froggie" Herndon.

Mat Men Grapple For Honors

After being under wraps for a few years, wrestling is making a strong comeback; and the revival of the "grunt-and-groan" profession quickly brought many strong contenders to the front. Last year Coach Dingman's muscle-men pinned down second-best honors in the state; and with only a few men gone, the squad is expected to make a stronger bid for state honors this year as several grapplers are claiming victory after victory.

Left: Strained muscles indicate this tense moment as High Point's Don Smith, (facing camera) fights to grab a victory over a Roanoke Magician. Right: Bison McKee, (on top) eagerly awaits the sound of the referee's whistle to begin the match.

Just bursting with pep and energy the cheerleaders lead the student body in a yell to start off a pep meeting with a bang!

Bison "Peppers" Keep Team Spirit High

"Let's hear that yell!" The cheerleaders were once more adding spirit to the football and basketball games. Rousing enthusiasm at pep rallies; leading the homecoming parade amid the crepe paper, floats, and rain; and inventing new cheers were the duties of these energetic girls, led by Betsey Davis, head cheerleader. Advising them on various occasions was Miss Evelyn Prescott, to whom much credit for this year's wonderful school spirit is due.

Our high-spirited cheerleaders are Nancy Robinette, Jackie Corn, Elizabeth Hall, Betty Jo Honeycutt, Betsey Davis, Head Cheerleader, Evelyn Chapman, Faye Kendall, Willie Hunsucker, Suzanne Cook.

Girls Enjoy Practical Sports

Kickball in the gym provides recreation on rainy days.

A similar stampede is caused in the locker room every period by the ringing of the thirteen minute bell.

Beginning and ending their gym period with a rush to the locker room, the freshman and sophomore girls took part in various gym activities during the course of the year. Under the direction of their gym teacher, Miss Evelyn Prescott, these girls participated in sports with a great deal of enthusiasm. In the fall, the girls enjoyed the out-of-door sports, such as soccer, volleyball, tennis, and horseshoes.

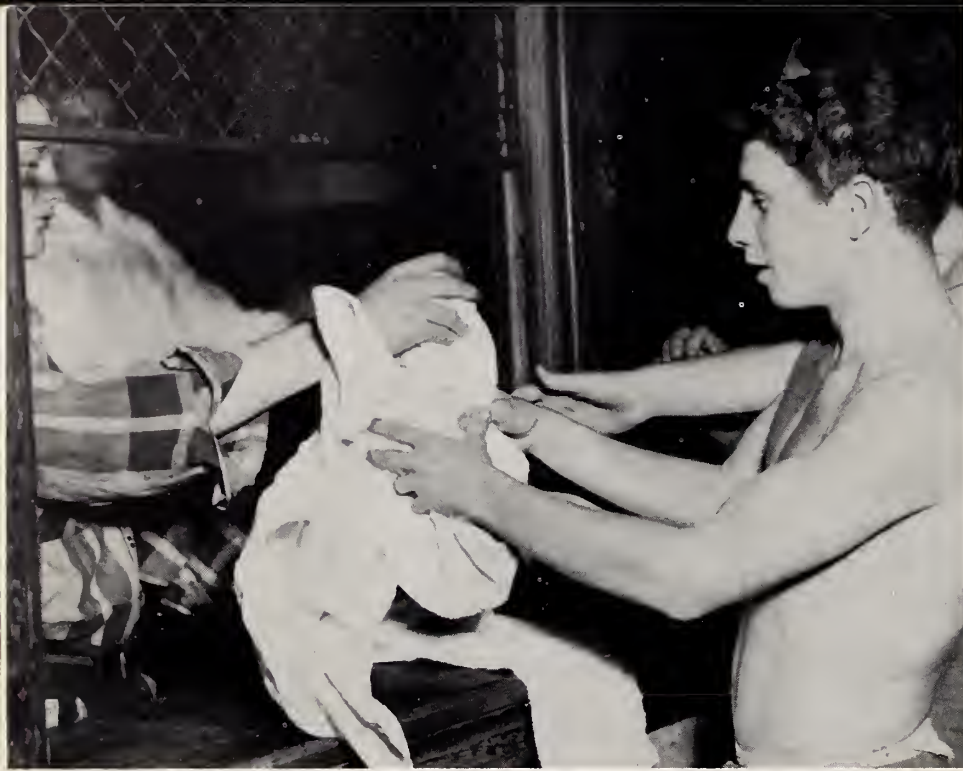

Exercises are essential to limber up stiff muscles before beginning gym activities.

Archery is a favorite with the gym classes.

Softball gives the girls a chance to play against keen competition.

After a rugged game of basketball in his Physical Education class, Bobby Bayne receives his towel before taking a cooling shower.

In the gym classes at High Point High, physical education is the object of much stress. The variety of the sports program allows many athletes to develop skill in the sport that they are best qualified for.

BOARDING
HIGH POINT
PUBLIC SCHOOLS

The school board is made up of Mr. D. A. Rawley, Mrs. Blake Thompson, Mr. William A. Tomlinson, Mr. R. M. Campbell, and Mr. J. B. Phillips.

Rendering their time and service to aid the school in its undertakings are the five members of the school board. They have taken an individual interest in our school and have helped to solve its various community problems.

The girls in Miss Mendenhall's office were constantly kept busy with their various jobs. Competently managing the office, these girls issued sick slips, admitted tardy students, and checked attendance reports.

Miss Mendenhall's seven right hands are (Left to right, first row) Virginia Hendrick, Elaine Ellison, Barbara Bouldin. (Second row) Nancy Cooke, Jo Anne Hodgin, Shirley Stout, Pat Vance.

The busy staff in Mr. Vance's office worked faithfully during the morning periods to carry out their assigned duties and other requests which Mr. Vance made from time to time. Admitting students to school and typing out attendance bulletins were only a few of the many tasks of these students.

Authors of those admit slips are the members of Mr. Vance's staff (Left to right, seated) Ann Johnson, Lily Sue Myers. (Standing) Vonette Rogers, Sandra Mitchell.

Students Gain Experience Through Service

During the afternoon periods, Mr. Ishee's office was the scene of much work as his capable staff members were efficiently toiling away to make it possible for the teachers to check their absentee lists. With a cheerful and friendly attitude, each of these assistants handled his tasks well.

Regardless of the problems of getting out the attendance bulletins the members of Mr. Ishee's staff "keep smiling." They are (Left to right, seated) Anne Hancock, Diane Fidler, Betsy Gamble. (Standing) Betty Kerr, Anne Salley.

Smiling clerks of the Student Store are (Left to right, first row) Mary Lou Malpass, Phyllis Witcher, Betty Kearns, Roberta Soucy, Billie Sue Sherman. (Second row) Becky Hester, Shirley Lambert, Virginia Anne Walker, Mary Jane Shipwash, Rose Marie Wienberry, Jane Sowers, Sylvia McGhee.

Always ready to meet that early morning rush and the many requests for pencils and paper were the capable salesmen of the student store staff. Not only did they manage the sales of school supplies, but they also made it possible for the school to obtain radios and other prizes by cutting the squares from packs of paper. Their new adviser, Mrs. Amy Miles, was always willing to open the supply room for material needed during the day. Much of the success of the store goes to these efficient workers and their adviser.

To gain experience, students aid teachers by being student secretaries. They are (Left to right, first row) Shirley Haney, Becky Morris, Christine Nobles, Janice Spaugh, Phyllis Witcher, Joan Black, Peggy Miller, Billie Ruth Pilcher. (Second row) Barbara Freeman, Doris Briggs, Ellen Moore, Evelyn Morgan. (Third row) Sylvia Schultheiss, Eleanor Cook, Norma Comer, Mary Jane Shipwash, Betty Lou Gray, Carolyn Armentrout, Joan Atkinson, Hilda Pickrel, Hellene Paschal, Myra Harmon.

Printing tests for teachers, cutting stencils, and running off papers were the duties of the student secretaries. They worked earnestly throughout the year to carry out the services which the various teachers asked them to perform.

The cheerful voice that chimes "Coach's office," when 5970 is dialed, comes from one of the hard working girls who run errands, type sports schedules, and make themselves useful as they keep the machinery running smoothly for the Athletic Department.

Always ready to answer questions concerning types and location of books in the library are the capable members of the library staff. With the friendly aid of Mrs. Nancy Poston, Head Librarian, and Mr. B. M. Sheffield, Assistant Librarian, students have been able to make book reports and class reports on time. The "mighty seniors" have found their advice valuable as they collected material for their term papers.

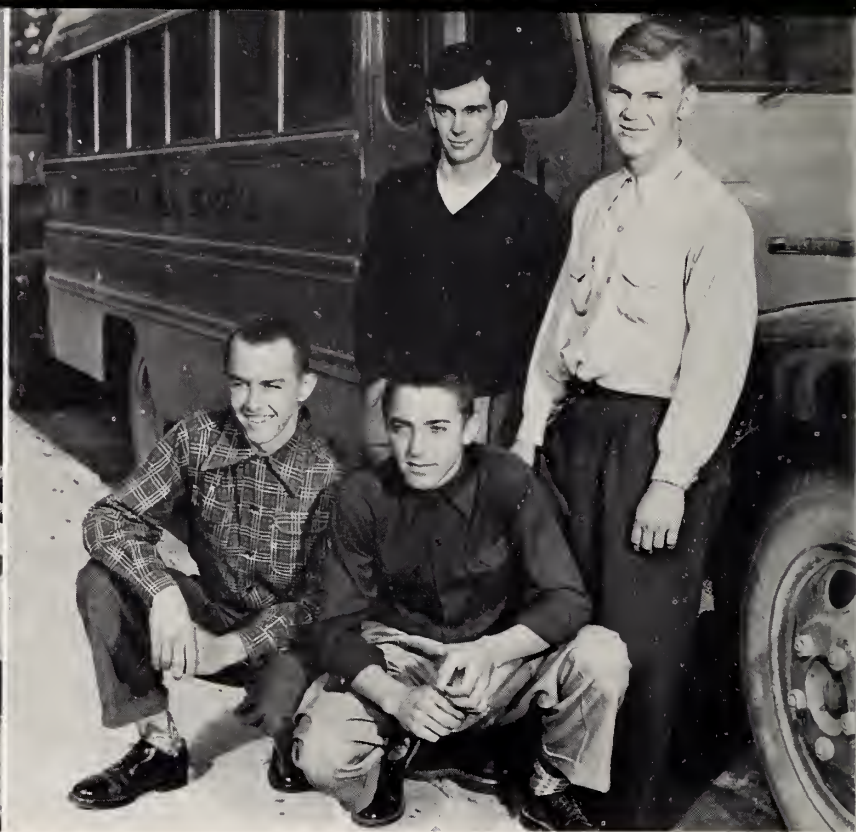

"Just a minute, please, I'll have to hunt him" is the by-word of the coach's staff members, Nancy Ragan, Jerry Anderson, Virginia Cochran, Sandra Mitchell, and Ellen Summey.

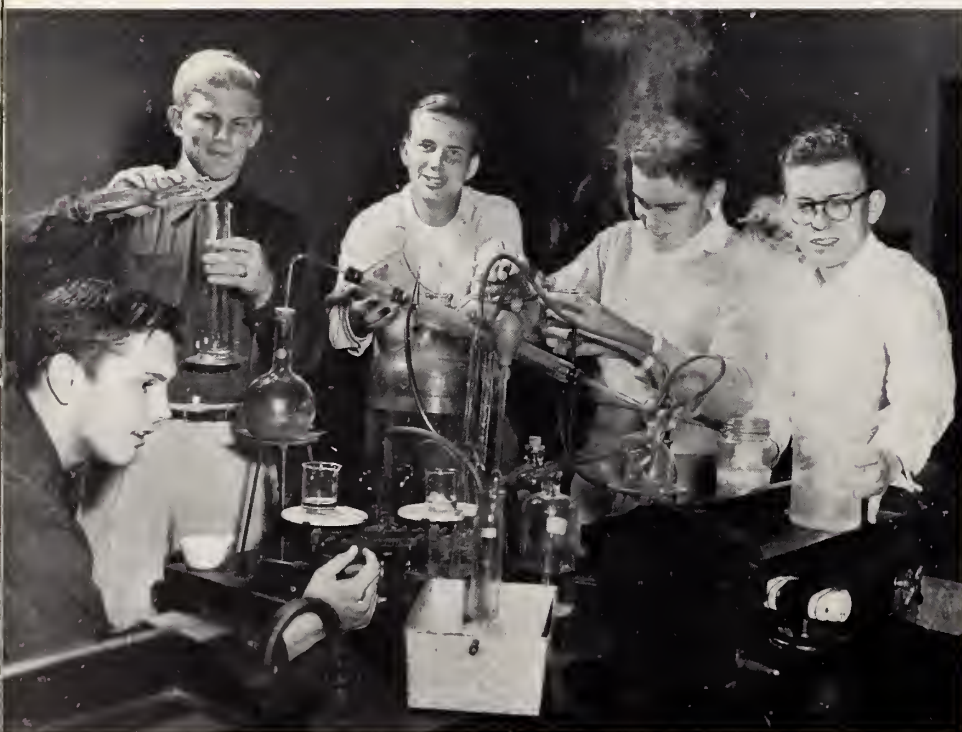

Taking time off from their library work are the servants of the literary world and JOE. (Left to right, first row) Katherine Clinard, Mary Crater, Joe O'Neal, Barbara Morrison, Barbara Priddy, Hellene Paschal, Phyllis Witcher. (Second row) Pat Russell, Betty Jo Bivens, Betsy Hedgecock, Ruth Lassiter, Carolyn Armentrout, Betty Lou Gray, Ellen Moore. (Third row) Betty Robertson, Eunice Watson, Joan Forbis, Jerry Clapp, Shirley Frazier.

Drying a picture for the *Pemican* are dark room assistants Stuart Hart and George Honeycutt.

With a good record to back them up, bus drivers, Donald Scalf, Donald Clodfelter, Bill Kinley, and Gray Denny, deliver students safely to the school every morning.

Industrious lab assistants are Tom Wood, Ronnie Falls, Tommy Albertson, Frank McCain, Pepper Tice.

Working hastily to produce those pictures for the school publications were the experienced boys of the darkroom staff.

The bus drivers bringing the students of neighboring communities into High Point were faced with many hard and cold weather conditions, but they were always faithful to their job.

"What's that terrible odor?" was the question asked by students as they passed the chemistry lab; but they needed only to glance inside to realize that it was just the result of an experiment. There to lend a helping hand were Mr. Ishee's well-trained lab assistants. Explaining important details and answering many questions were only a few of the duties of these hard-working helpers.

As the curtain rang down on the final act of "The Fighting Littles," the cast of the senior play was well repaid for its hard work by the excellent response from an appreciative audience. The comedy had brought an uproar of laughter from the audience during the entire performance; and the bickering among members of the Little family had made a typical, but hilarious, play for all to enjoy.

Looking like one big happy family is the cast of "The Fighting Littles." (Left to right, seated) Shirley Bartlett, Peggy Moffitt, Venetia Wilcox, Frances Mull, Ramelle Hylton, Marty Burton, Max Williams. (Standing) Jim Lovelace, Kent Hubbard, Thomasine Strother, Elzene Boyles, Vivian Miller, Miss Ruth Goodman, adviser, Arch McMullan, Andy Pickens, Norma Jean Ansell.

The Fighting Littles Win Heart of Audience

The Littles nervously await the arrival of Mrs. Hardpeddle (Ramelle Hylton) who is the finicky aunt of Norman Peel (Max Williams).

Mr. Little (Jim Lovelace) looks ferocious because he has just been told that Filmor (Arch McMullan) wrecked the family car and that he must walk to work.

Active in productions broadcast over WHPS are Radio Guild members (Left to right, first row) Dwight Payne, Joe Walser, Vici Waggar, Pat Bradshaw, Nancy Jo Doggett, Mary Stuart, Barbara Terry, Charles Curry. (Second row) Ken Bray, Donald Elliot, Sandra Mitchell, Betsy Gamble, Jean Burnworth, Jean Hocutt, Frances Motsinger, George Coltrane.

New Organization Plans for Better Programs

"The Radio Guild of H. P. H. S. now presents Charles Dickens' *A Christmas Carol*." These were the words that introduced the annual presentation of the story of Scrooge over our school's FM station. The Radio Guild is the newest of the organizations in our school, and its aim is to have more and better student participation programs on WHPS.

"Big wheels" in the Radio Guild are officers, Frances Motsinger, treasurer; Jean Burnworth, secretary; Charles Curry, president; Betsy Gamble, program chairman.

A career in the business world is the goal of the Future Business Leaders of America Club. (Second row) Pat Lassiter, Ellen Moore, Mary Lou Malpass, Mollie Little, Barbara Bouldin, Anne Thompson, Billie Ruth Pilcher. (Third row), Betty Lou Gray, Mary Jane Shipwash, Elaine Ellison, Vasso Cavas, Jean Hocutt, Mary Lou Davis.

These Prepare to Keep the Business World Running Smoothly

Destined to be leaders in the business world are F. B. L. A. officers, (Left to right) Mollie Little, secretary; Elaine Ellison, president; Peggy Withers, vice-president; Billie Ruth Pilcher, treasurer.

A new organization has caught the attention of those students interested in the business profession. The Future Business Leaders of America has grown to be a very helpful organization to many students.

At their first meeting this year, Elaine Ellison was elected president; Peggy Withers, vice-president; Mollie Little, secretary; and Billie Ruth Pilcher, treasurer. Miss Ann Ingram, faculty adviser, helped the members in planning to visit local business offices in order that they might learn more about the profession of their concern.

Forensic League Chooses Debating for Pastime

The High Point chapter of the National Forensic League has re-organized this year and with the renewal of its charter, it has once again begun the job of improving its work. Members have had the opportunity of participating in several Student Congresses at Asheville, Duke University, and Greenville during the last three years. For outstanding work at these Congresses the members earn points that entitle them to national membership when they have twenty or more. George Coltrane and Nick Fisher brought honor and recognition to themselves and their school in Greenville when they were elected

“Best Presiding Officer of the House” and “Best President of the Senate,” respectively. The organization members are looking forward eagerly to many years of work and distinction as they participate in interscholastic debates, Student Congresses, and oratorical contests. The officers are pictured (Left to right seated) Nick Fisher, vice-president; George Coltrane, president. (Standing) Mr. Richard C. Wilson, adviser; Ronald Albertson, recording secretary; Nancy Owens, secretary; Mary Jean Crouch, corresponding secretary; D. C. Phillips, treasurer.

The students who enjoy public speaking are members of the National Forensic League. (Left to right, seated) Nancy Hill, Margaret Locke. (Second row) Susan Caudle, Frances Motsinger, Ronald Bratton, D. C. Phillips, George Coltrane, Sarah Johnson, Nick Fisher, Ronald Albertson. (Third row) Barbara Terry, Nancy Owens, Mary Jean Crouch.

The senior boys chosen to take part in Hi-Y activities are (Left to right, first row) David Moore, Tom Wood, Boyd Newnam, Ronnie Falls, Al Roach, Sonny Sorrell, Jimmy Jarrett, Harold Martin. (Second row) Pete Jones, Chippy Wood, Mike Jones, Donald Paul, Bobby Shook, Alden Bean, Eddie Ridge, Ted Connor, Clay Lambeth, Dwight Payne. (Third row) Frank McCain, Bobby Valentine, Bobby Kimbro, Douglas Cooper, Jerry Smith, Donald Smith, Jimmy Small, Leon Patterson, Jackie Harris.

Young Men Advance in Principles of YMCA

One of the many outstanding clubs sponsored by the local Y.M.C.A. is the Hi-Y Club. Under the leadership of David Moore, president; Sonny Sorrell, vice-president; Harold Martin, secretary; Alden Bean, treasurer; Dickie Gantt, chaplain; and Mr. Raleigh Dingman and Mr. Edgar Hartley, advisers, these boys have entered the intra-mural sports, been of service to the local Y, and started building a cabin at Mr. Hartley's farm. The boys are proud of the fact that their club was partially responsible for raising funds for the beautiful new Y.M.C.A.

High in the Hi-Y are officers Sonny Sorrell, vice-president; Harold Martin, secretary; Dickie Gantt, chaplain; David Moore, president; Alden Bean, treasurer.

All the students look forward to the days when they go to room 203 for a movie. Responsible for the efficiently run motion pictures is a capable staff of boys under the supervision of Mr. Bernie Sheffield. Our thanks go to the boys who make this enjoyable form of education possible for us. Our projectioneers are pictured (Left to right, first row) Harold Richardson, Robert Welch, Rex Hucks, Freddie Dickens, Ronnie Hall, R. C. Hicks, Charles White. (Second row) Ronald Albertson, Carson Farmer, Phillip Hinshaw, Bill Haworth, W.L. Stewart, Buzz Lowe, Thomas Kirkman.

When the dinner bell rings at twelve and one o'clock, the students rush to the cafeteria in expectation of another of Mrs. Meeta Jackson's well-planned meals. Our school dietitian has the job of supervising the preparation and cooking of the delicious courses that she plans for each day. Indispensable in the kitchen are the experienced and efficient cooks who are responsible for getting things in "apple-pie order."

The genial cafeteria staff members, who do "K. P." for all the school, are responsible for seeing that everyone who eats in the cafeteria is served and satisfied with the "chow." To them belong the tasks of collecting money, serving food, scraping and stacking plates, washing piles of dishes, and selling ice-cream. Without them Mrs. Jackson's job would be much harder.

The boys who help with the "kitchen capers" are (Left to right, first row) Tykey Savvas, Rex Hucks, Donnie Rickert, Donnie Boone. (Second row) Lloyd Campbell, Bill Bailey, Maurice Sives, Douglas Cooper, Jerry Sowers, Howard Cross.

Mrs. Meeta Jackson, dietitian, carefully plans meals that will please both students and faculty.

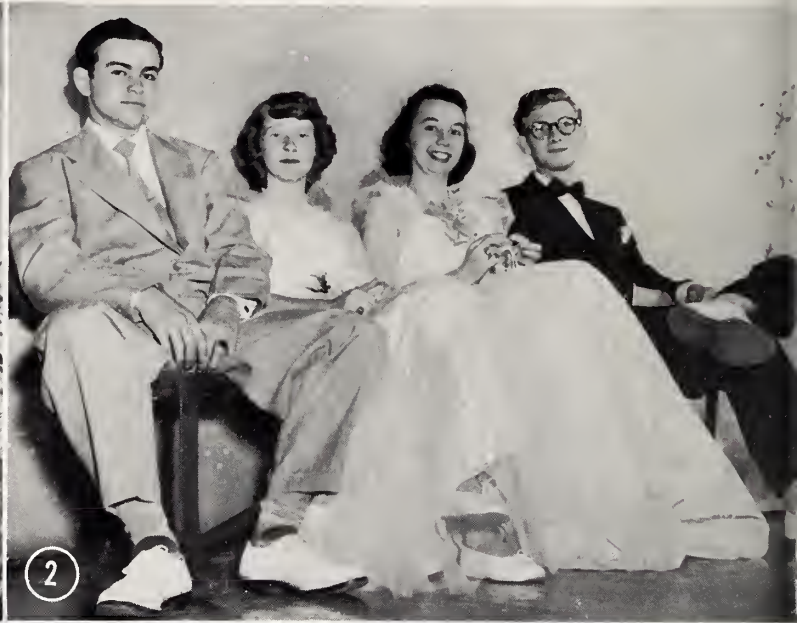

Excellent taste is shown in the students' choice of Homecoming queen and attendants. (Left to right) Betty Adams, Polly Adams, Barbara Hedgecock, Queen, Gerry Myers, Carolyn Sumner.

Glowing with glamour are the live beauties of the homecoming court. The gala homecoming events were drowned out by the annual "homecoming downpour," but these lovely ladies appeared on the field at game time looking fresh as daisies as they received bouquets of lovely flowers.

The loyal night watchman who inspects the grounds and building while he is on duty is the familiar Sheriff Snipes, known by many for his friendliness, ability to "spin a yarn," and his valuable service as protectorate of our lovely building.

Soft Music and Dim Lights Set Stage for an Evening in Paris

1. A lovers' lane is being created at the back of the gym by Dwight Payne, Ann Johnson, and Mike Jones.

2. Sitting this one out are Ray Heilig, Ann Sanders, Shirley Bartlett, and Ray Bartlett.

3. Dim lights and soft music cause the dreamy looks in the eyes of Martha Smith, Donald Paul, Joy Knox, and Bill Barrett.

4. The couples begin arriving early, looking expectant and happy.

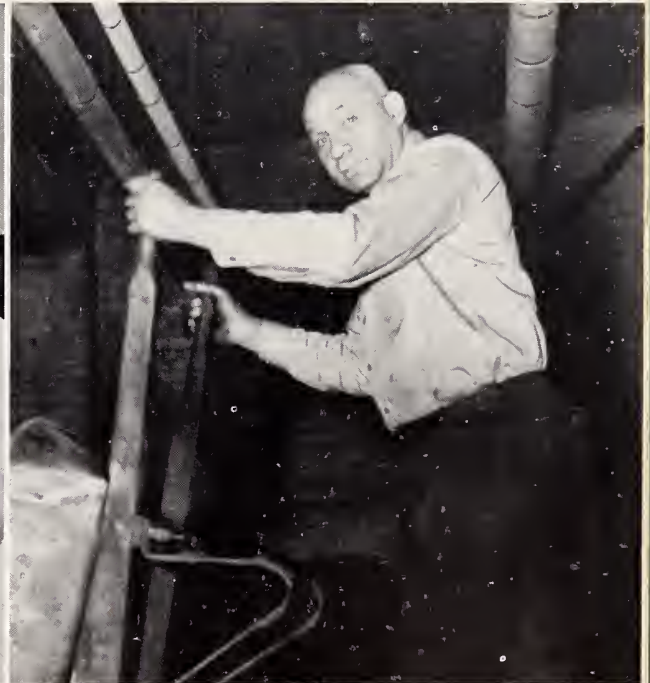

5. Meeting the prom sponsors is a highlight of the evening.

Our staff of efficient maids is made up of Millie Leach, Norma Faust, Florence Allen, and Emma Foster.

Doing a wonderful job of keeping the halls and locker rooms spic and span were the faithful maids, who were always ready to greet students with a smile. Answering calls and making countless repairs were only a few of the duties of our janitors. Last, but certainly not least, carefully preparing the meals for hungry students were the well-experienced cooks.

Bottom: To prepare meals that look good as well as taste good is a job that cooks, James Bostic, Alice Holmes, Annie Baldwin, and Patsy Ramseur, are well qualified to fill. Right: "Evans" is busy improving conditions around the school, as usual.

Doing the narrating for *Tune In* is radio announcer, Rex Hucks, with Jack Peacock and radio technician, Eugene Hyde.

Receptionist, Betty Floyd, answers the telephone while radio announcer explains programs to opera singers, Jimmy Blair, Ann Allred, and Patty Peacock.

A new experience for the choir members of H. P. H. S. was the production of an operetta. Since it was entirely different and very interesting, the students thoroughly enjoyed the performance.

One of the newly organized clubs of H. P. H. S. is the Pep Club. Its purpose is to create a stronger interest in the various sports and to promote better support for the teams at games.

No one is more proud of our radio station than the boys who are responsible for the technical end of broadcasting. Operated by these trained and skilled boys who are interested in electronics, our high school station has become known in this area for its broadcasting of morning devotions, assemblies, and student produced programs. The hard work of running the station falls on the shoulders of Dwight Payne, Charles Curry, Don Elliot, and Ken Bray, who are on hand at all times to bring High Point High School into the homes of High Pointers.

Future radio announcers and disc jockeys take care of the programs that are broadcast over WHPS. (Seated) Kenneth Bray, Charles Curry. (Standing) Dwight Payne, Donald Elliot.

The twenty members of the junior class who had attained the highest positions in their class were the ones chosen to be commencement marshals. Distributing programs and ushering parents and friends to their seats were the duties of these students at this most important program of the year.

As a reward for high scholarship these students were chosen to serve as commencement marshals. (Left to right, first row) Frank McCain, Pepper Tice, George Coltrane, Tommy Woollen, Pete Jones. (Second row) Tommy Wood, Betty Lou Gray, Landry Neely, Mary Jane Shipwash, Mollie Little, Jane Sowers, Carol Smith, Colon Farlow. (Absent when pictured) Bill Barrett, Donnie Harris, Joe Hester, Sandra Mitchell, Anne Salley, Arlene Taylor, Elaine Thompson.

Piracy on the High Seas Is Highlight of "Captain Applejack"

Upper left: In his fantastic dreams Applejohn is the dashing hero of a game of chance with a gang of cutthroats. Upper right: Ambrose Applejohn (Pepper Tice) is greeted by Ivan Borolsky (Bill Barrett), a crook posing as a bolshevik spy with Poppy, Applejohn's ward played by Billie Ruth Pilcher, and Lush, the butler (Mike Jones) in the background. Bottom: The females in the production relax after a very successful performance. (Left to right) Mrs. Pengard, Anne Salley; Palmer, the maid, Vici Waggar; Aunt Agatha, Betsy Gamble; Anna Valeska, Ann Johnson; Poppy, Billie Ruth Pilcher.

High School Talent Blossoms In Annual Event

Top left: "How Could You Believe Me When I Said I Loved You When You Know I've Been a Liar All My Life" nets Ronnie Current a shot in the head from Marty Burton. Top right: Hillbilly artists Sam Gibson, Bud Montgomery, and Bill Thompson wring tears out of the audience with their rendition of "Beautiful Brown Eyes." Bottom: That the entire cast was hard-working and co-operative was proved by the excellent performances given both nights.

Dear Nancy,

Before very long now another school year will have put its mark upon us; on that last day, as the last bell rings & the last door locked, our regular eight-twenty, eleven o'clock, one-thirty, & two-thirty meetings will be abolished. But our five-forty (rolls), & "between seven & eight" meetings shall never be disrupted. And soon after that time, on or about July 10 - I will leave the office which is marked by "improvements"; & a new category will face me. For you, I am sure that the two remaining years will be short years, & I will be coming home to you again. This time I will have nothing which will take me away unless you are working. It is true that four years are not so long - & before you realize it, they will be gone. And, exactly four years & four days from now, I will be giving you that birthday present, & soon after that, I will be tramping to your door - asking you to be with me for evermore.

In those four years, our meetings will be less frequent than now, but each, I will long for. It is true that I am not "itching" to leave, but the law of average states - that, "the sooner I leave, the sooner I will return" (Gen. 1:5-6). This date is now set as my goal. Please be good & I will be for you, & you only the best. Love, Curry

Appreciation

Some say it was hard work; some, loads of fun. Well, we say it was both of these. As we get the last details together just before going to press, we offer our thanks to you, the student body, for the privilege of recording one of your green years of high school.

A special appreciation goes to Mr. Ralph Vance, our faculty adviser, who was always willing to give any word of advice needed. Many thanks go, also, to Mr. Whitley and the faculty members, who so patiently tolerated our many interruptions and the many inconveniences that we caused them.

Many words of gratitude go to the members of our staff for their unselfish service: to Landry Neely, associate editor, who was always there to fulfill any duty or to encourage us during those long hours; to Mike Jones, Ann Johnson, Max Loffin, whose cleverly-prepared art work has added much to our book; to Jane Sowers and Carol Smith, who were ever willing to do more than just write copy; to Anne Salley, senior statistician, who spent many hours collecting and typing material about each senior; to Arlene Taylor, cutline editor, who never ceased to write identifications for each picture; to Ralph Hall, sports editor, for each of his skillfully written accounts of our sports events; to Mollie Little, our staff typist, who not only typed all the material for the book but assisted us in many of our other tasks and problems.

Much credit is due to our chief photographer, Pete Jones, who spent many hours in producing new ideas for our photography; and to his darkroom staff, Stuart Hart and George Honeycutt, who assisted with the darkroom chores.

A special word of thanks goes to the members of the business staff—Tommy Woollen, “Pepper” Tice, Nancy Jo Doggett, Frances Gilmore, Jimmy Blair, Ettalee Monroe, Peggy Tobias, Herman Bunch, and Claude Earle—who spent many long hours down town selling ads to the local merchants. This annual was made possible through the co-operation and tireless efforts of the members of the business staff.

We ask you, dear reader, to treasure this book as a token of the many good times shared in High Point Hi.

EDUCATED NOW?

To be sure you are, with a prized diploma to show for it! Congratulations on all those tests you've successfully passed.

Now life is going to give you the supreme test of **thinking for yourself**. You'll hear that the political planners can manage everything for you, and give you a "secure" life. If you think that one through clearly, you will see that the most secure people you could find are the ones in jail.

You'll probably hear more about your "rights" than you do about your responsibility. Yet your teachers have warned you that **every right carries with it an obligation equal or greater**.
